What can you do during your Tenure of Service as a Titleholder to impact your community?

I want to shine a national light on The Salvation Army and the work they are doing impacting thousands of unemployed Americans who are hungry and have lost their homes during the pandemic. I would be honored to serve on the National Advisory Council to add visibility to the job of Miss Volunteer America as well as learn even more about national initiatives. I would love to broaden my current local Help Rescue Christmas project by garnering support from all of my state titleholder sisters to form a Help Rescue Christmas campaign team to fill the growing need of food and shelter.

What has been your involvement with your platform, including time commitment, strategic planning and ways your ingenuity and resourcefulness have been demonstrated?

In working with The Salvation Army for the past six years, I have volunteered for numerous events but my favorite was creating “Let’s Cheer for our Volunteers” with my high school cheer squad. We recruited sponsors to donate \$1 for each cheer we could do on Spirit Day that lasted from our early afternoon pep rally through the Homecoming game that night. We had an online donation avenue, as well as going door to door to increase our reach and number of sponsors. By the end of the night, we had raised over \$1,200 and had no voice left!

What inspired you to first become involved in your platform?

At the age of ten, I began a dog walking service as an after-school activity to help my neighbors. What started out a favor to friends turned into a lucrative business for my age. At Christmas, I wanted to do something special for others and took as many dollars as I could wad up in my pocket to drop off in a red kettle for iconic The Salvation Army bell ringers. I was so excited to think of the people my dollars would be helping and still raise as many dollars as I can for this remarkable organization.

Besides the opportunity to win scholarships, what made you choose to participate in the Miss Volunteer America program?

Service--I want to improve my community by implementing programs that can meet people where they are and help get them where they need and want to be. I want to remind my friends that even connecting through virtual events, we can easily raise money change someone’s life. If you love running then you can have friends and family sponsor a mile and stay healthy while helping those who have lost their jobs during the pandemic.

How would you utilize social media in order to further the position and job of Miss Volunteer America? I will help establish Miss Volunteer America in her inaugural year as an influencer by increasing frequency of posting, gaining new followers and establishing the brand. I will work toward these goals through original content from daily stories of Makeup Tutorials during appearance preparation to IGTV posts sharing about the special people I encounter during my appearances. I will do a weekly recap of the week’s events with everything from the daily grind of packing and travel to the more glamorous events—it always helps to showcase it all. When appropriate, I will go live during events where I am appearing to share where I am traveling, what I am doing and who I am meeting. I will create Sponsor Spotlight Sundays to thank those who make Miss Volunteer America possible and showcase their tangible and intangible donations. I will continue to increase awareness about all of the fundraisers and events for my platform, the Salvation Army, and hold monthly virtual “Tea with Miss Volunteer America” events to raise funds for Help Rescue Christmas.
