VETERAN NEWS

For years, Veterans have returned home with invisible scars — illnesses and conditions caused by exposure to toxic substances. The passage of the PACT Act (Promise to Address Comprehensive Toxics) marked a transformative step in addressing care gaps Veterans were facing after returning home from combat. The PACT Act ensures that Veterans receive the comprehensive, tailored care they have earned. Since August 2022, 5.6 million Veterans have been screened for toxic exposures, and more than 740,000 Veterans have enrolled in VA health care.

STUDENT POEMS

Since the first edition of the newsletter in fall 2019, we provided a poem as a symbol of a younger generation taking time to articulate their understanding of those who serve/served this great country. A special thanks to Mrs. Danielle VanCleave and her students at Sharon Elementary for sharing these words as we continue to share another group of students' artistic abilities while paying homage to the military.

HONOR OUR VETERANS

We honor our parents, teachers and peers
For many things, such a being here all these years
And consoling all of my tears
And for every time they appeared.

But most of all, we should honor our veterans.
Daily, they save a family and friends.
They fight for our country again and again
For all of American citizens.

You fight to make a difference
With a lot of confidence.
Some days, your bravery misses our lance,
But today, we're here to show you our remembrance.

BRAVE SOLDIERS

To the blood shed
Of our flag,
We the people
Are so strong and glad.

The strong soldiers
Have no fright
When they fight
At day and night.

The way soldiers fight with no fright
But they never stop fighting for the freedom of our lives.

HISTORY

Most everyone either remembers where they were at or heard stories of September 11, 2001. This year marks 23 years since one of the most horrendous attacks on the United States. America changed following this event, and many servicemembers and their families would be called upon to adjust their daily routines so servicemembers could deploy in support of finding those responsible. Let us remember the people, families and survivors that are still dealing with the lasting loss of lives due to this somber day.

TENNESSEE VETERANS LEGISLATION

DISABLED VETERAN LEAVE ENTITLEMENT POLICY

Under the Wounded Warriors Federal Leave Act of 2015 (Public Law 114-75, Nov. 5, 2015), an employee hired on or after Nov. 5, 2016, who is a Veteran with a service-connected disability rating of 30 percent or more from the Veterans Benefits Administration (VBA) of the Department of Veterans Affairs is entitled to up to 104 hours of disabled veteran leave for the purposes of undergoing medical treatment for such disability.

An eligible employee will receive the appropriate amount of disabled veteran leave as of the employee's "first day of employment," as defined below. Disabled veteran leave is a one-time benefit provided to an eligible employee. The employee will have a single, continuous 12-month eligibility period, beginning on the "first day of employment" in which to use the leave or it will be forfeited with no opportunity to carry over the leave into subsequent years.
